## I SEE YOU'RE AN INLINE ENGINE NUT.

Well, consider joining some fellow engine nuts in *Inliners International*!

Our focus is inline engines, vintage or new. We publish the "12 Port" magazine six times a year, have local group gatherings, and every other year we have a great convention. The goal of this group is to connect inline engine admirers.

Just fill out the application on the other side

OR go to InlinersInternational.org

to join online.
